Complete instructions for registering and accessing the training website are included on that page.

Helpful tips to remember when attempting to register or complete the in-person training.

The system may not immediately provide you with a listing of session dates to select from. If this happens, log-out and wait until the next day to log-in, the dates should appear.

You will be sent information via email about how to setup for the webinar after registering.

Attendees arriving more than 15 minutes after the session begins may not receive credit & will need to re-schedule.

The SBE reserves the right to cancel any session due to low registration, weather or other unforeseen reasons.

Only attendees that pre-register will be notified of any possible cancellation.

Persons that do not register for training via this on-line LMS will not receive credit for training!
