

Disaster Assistance Available for North Carolina Private Roads and Bridges

To qualify for private road or bridge assistance:

- Damages must be as a result of Tropical Storm Helene.
- The home must be your primary residence.
- You must indicate home damage on your application, even if your road or bridge is the only property damaged.
- The road or bridge must be the only access point to your home or neighborhood, and be unsafe or inaccessible.

Please submit with your application:

- Insurance policy.
- Homeowners' Association (HOA) or covenant bylaws.
- Contractor estimates for roads or bridge repair.
- Copies of receipts for completed repairs.
