WILKES COUNTY RESPONDS TO THE GOVERNOR'S EXECUTIVE ORDER

Wilkes County Government remains open, but we strongly encourage citizens to call in advance to determine if their needs can be met by phone, email, or online services. This is particularly important in order to facilitate social distancing.

Essential services, including law enforcement, fire, EMS, 911, and Public Health will continue as usual.

Wilkes County will assess operations on a daily basis to determine if future modifications are needed. If you have questions please contact County Manager John Yates.
